**Purpose of Policy:**

**Policy Statements**

1. Real estate agents, homeowners, home purchasers and lawyers may request a PID.
2. The PID Application form is as set out in the attached Schedule "A".
3. Each individual property request requires an application form, available for pickup or fax from the Osler Town Office, or available for download in .pdf on the Town of Osler website.
4. There must be a separate application for each individual property.
5. If zoning bylaw compliance information or research conducted for a commercial property or a multiple unit residential property is required, Applicants must request a Letter of Zoning Compliance.
6. The application must be accompanied by the appropriate application fee prior to any work being carried out. Payment for the \$15.00 application fee may be made by cash or cheque (payable to the Town of Osler).
7. The application, registration fee and any appropriate supporting materials should be submitted to Town of Osler.
8. Once an application form and payment is received, administration staff will research the property by checking information sources within our records. Specifically, this will include a review of:
  - a. Written correspondence relating directly to property issues
  - b. Outstanding orders and correction notices
  - c. Outstanding building code deficiencies
  - d. Outstanding or open building permits carried by an inspector
  - e. The history of building and plumbing permits
9. The research that is performed for a PID is limited to files that are currently available in the Town Office.
