### **WATER METER READINGS:**

It is CRITICAL that we have actual reads each month. We do not want our residents to pay more than is needed and sometimes doing estimates will result in that happening. IF we leave you a card please call your reading in as quickly as possible. If you would like to read your own meter each month please call the number in on the last day of the month, or visit the Town of Osler website under Services and submit your reading there. Residents are also encouraged to ensure their remote touch pads are accessible.
