Volunteer Appreciation Supper - September 24th, 2024 - 6:00 pm

This annual event is hosted by the Town Council to acknowledge and thank the people who give of themselves by volunteering, as well as to thank Boards and Committees of Council who work hard for the betterment of our community. We would like to extend this invitation to everyone who contributes to the rich and diverse character of our Town. Please RSVP by September 17th to Crystal (306)239-2155.

Inaccessible Meter (excerpt from the Town of Osler Bylaw)

15. *In the event a meter or remote reader is inaccessible for whatever reason, the designated officer shall leave a note indicating the need for a reading. If a reading cannot be obtained an estimate will be used for billing purposes. Owners are welcome to provide readings on the understanding that such reading shall be done on the last day of the preceding month and submitted by phone, email or in person to the Municipal office by the first working day of the month. The designated officer is required to ensure that all town owned meters are read inside the premises not less than once a year by an employee of the Municipality other than the owner of the property.*

26. *If a remote reader is already located on the side yard or rear of a building, the municipality will not be responsible for any damage done to flower beds, gates, fences and the like and cannot guarantee that gates will always be appropriately secured following the reading of the remote. Further, if said remote is inaccessible due to the gate being locked, family pets being allowed to run at large within the fenced area, or other reasons beyond the control of the municipality, the owner will be requested to move the remote to an accessible location that is not within the fenced area.*
