

Town of Osler – Public Works Department
Position: Public Works Laborer (Full-Time)
Application Deadline: September 30, 2026
Reports To: Public Works Foreman

The Town of Osler is hiring a full-time **Public Works Laborer** to help maintain our roads, parks, water systems, and public spaces. This is a hands-on, outdoor role with a wide variety of tasks - perfect for someone who's reliable, hardworking, and community-minded.

Key Duties

- Maintain/repair streets, sidewalks, drainage, and municipal buildings.
- Operate trucks, loaders, mowers, and other equipment.
- Assist with water/wastewater system maintenance.
- Snow removal and weather emergency response.
- Maintain parks, trails, and public facilities.
- Complete maintenance reports and work orders.
- Support community events and urgent municipal needs.
- Follow safety procedures and town policies.

Qualifications

- High school diploma or GED.
- Valid Saskatchewan Class 5 Driver's License (required).
- 1+ year of experience in maintenance/construction is an asset.
- Water/Wastewater Level 1 or safety training is an asset.
- Able to work outdoors, lift up to 50 lbs, and follow technical/safety guidelines.
- Team player with good communication skills.

Work Conditions

- Outdoor environment with exposure to weather, noise, and traffic.
- PPE provided with an allowance.
- May include evening, weekend, holiday, and on-call work.

Compensation & Benefits

- 3 weeks starting vacation.
- Comprehensive health, dental & vision benefits.
- Enrolled in the Saskatchewan Municipal Employees Pension Plan (MEPP).
- Ongoing training and development.
